

CHILDREN AT RISK

Thank you for your interest in the CHILDREN AT RISK School. This course is part of YOUTH WITH A MISSION and THE UNIVERSITY OF THE NATIONS (EDN/CNH 251/252/253).

This course runs for **6 months** and is divided into two phases (a three-month lecture phase followed by a three-month outreach). You can continue with the practical/outreach phase for an additional 12 weeks with an emphasis on a better understanding of the cultural setting and the complex factors that place children at risk. It will be bilingual (Portuguese and English). We receive students from all over Brazil and other nations, which offer the student a variety of cross-cultural experiences.

CAR (Children At Risk) has 36 possible credits at the College/Faculty of Counseling and Health Care (CHC) and the College/Faculty of Education (EDU). 12 credits in theoretical (EDN/CNH 251), 12 credits in practical (EDN/CNH 252) and a further 12 credits in the second practice (EDN/CNH 253).
